

A nighttime photograph of a city skyline. In the foreground on the left, several tall palm trees are silhouetted against the dark sky. Behind them, several high-rise buildings are visible. One building on the left has a grid-like facade with many lit windows. To its right, a taller, more modern building with a curved facade and many balconies is illuminated. The balconies have glass railings, and many windows are lit up, showing interior lights. The sky is dark blue. Large, bold, light blue text is overlaid on the image.

# SPRING

Forum
